**Subject:** Dico property

Hi Rita,

I seem to recall that Sinnwell's had a contractor prepare some preliminary feasibility study work to evaluate steps needed to redevelop the Dico property. As part of that evaluation, do you know whether any cost estimates were developed for demolition of the remaining buildings? I would also be interested in any cost estimates prepared for modification of the groundwater pump and treat system. Please let me know if you are aware of any such estimates. Thanks!
